State and local laws do not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Fairhaven does require that you have such a container, a burial vault will satisfy this requirement.

## WARRANTIES

Our funeral home makes no representations or warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturer. The only warranties, expresses or implied, granted in connection with goods sold with this funeral service are written warranties, if any, extended by the manufacturer thereof.
