# BURIAL OPTIONS *within* FAIRHAVEN MEMORIAL PARK

Fairhaven was accepted as a member of The American Public Gardens Association formerly known as the AABGA for its unique variety of trees from around the world. The following lists the many available interment options that are available at Fairhaven Memorial Park. An endowment fund deposit is made when an interment right and/or memorial is purchased for the continued care and maintenance of the cemetery. Fairhaven Memorial Park requires an outer burial container or vault for all ground interment of casketed and cremated remains.

Our advanced planning program offers families the ability to select and pay for funeral services in-advance, funding the funeral at today's prices. Interment rights may be purchased in advance of need with a variety of payment terms. You are welcome to visit the cemetery during daylight hours. A family service counselor will be pleased to take you on a tour of Fairhaven and discuss the many options available.
